Reclaiming your space...

Our space saving bed solutions are an attractive way to make more of your home or maximise earning potential on a rental property. They'll not only be functional; they're stylish too. Whether you install into a recessed wall cavity or use one of our cupboard solutions, you'll have a multi-functional space that looks great as well.

NeXtBed

The NeXtBed Range available in Single, Double and Queen

THE NeXtBed FLAT PACK

The DIY Flat pack includes the bed frame and mechanism plus the cabinetry.

- The NeXtBed flat pack cabinetry has a choice of both bookcases either side, one or none.
- The bookcase has an option of fixed or adjustable shelves.
- The doors open in a bi fold action.

Please note the following information about our NeXtBed DIY Wall bed range.

*All prices are inclusive of freight to NSW, VIC & QLD below Rockhampton.

Please contact Wall Beds Australia for a quote on freight to TAS, WA, NT, SA & North QLD, (Rockhampton & above).

*Some remote / out of zone areas may incur extra freight cost.

All prices are inclusive of GST

Steel Bed Frame (Mechanism Only)

Available in Single, Double & Queen the NeXtBed mechanism does not require any cabinetry to operate. Simply attach it to your existing skirting board or floor. The legs fold down from underneath the bed. This includes the timber slates for the base of the bed. The NeXtBed without cabinetry can accommodate up to a 30cm mattress. The mattress is not included.
